Dear Liz & Anne,

**THANK YOU**

On behalf of the beneficiaries, we would like to express our sincere gratitude and heartfelt thanks to the both of you, the students and their families for the most welcome and generous donation of Christmas gifts for our CHOC children and lovely secondhand clothing that our driver – Tongai collected on Tuesday 7<sup>th</sup> November, 2017.

CHOC Childhood Cancer Foundation SA is the only organisation in South Africa that provides comprehensive countrywide support for children with cancer and other life-threatening blood disorders, and their families. Our range of comprehensive support to affected families includes parent to parent support, counselling by a CHOC social worker, and practical support such as accommodation in CHOC houses nationwide, transport and recreational activities. In addition, the organisation creates awareness, particularly on the early detection of cancer in children, supports health professionals and upgrades treatment facilities into child-friendly environments and advocates for those whose lives have been affected by this disease. CHOC relies heavily on private sectors and individuals for funding to continue the great work.

Your generosity in supporting the work that CHOC does is sincerely appreciated and we thank you for helping us in “Keeping more than hope alive” for the children we serve.

Yours sincerely,

Brenda Steyn
