Dear Liz

Thank you for amazing Christmas Gifts from the Grade 9 Pupils

Kids Haven is incredibly blessed to have the support of Brescia House School. Every interaction overwhelms us even more and we cannot say THANK YOU enough.

Your Grade 9 pupils excelled in making **unique Christmas Gift Boxes** for our children. WOW! Each box is a masterpiece and we are looking forward to seeing the excitement on the children's faces when they receive their gifts on Christmas Day. It looks like so much love and effort went into every box – thank you. This act of kind generosity makes a big difference to us and reminds every one of our children that they are valuable and precious.

Thank you for being an exceptional School and for encouraging compassion in your learners.

With thanks

Susan
